Our current impact in
Sedgwick County:

NUMBER OF CHILDREN SERVED

Since 2016, local churches and community partners have served 2,853 children right here in Sedgwick County.

BENEFITS OF CHURCH PARTNERS

1. Access to meet high-impact, vetted needs from carefully selected requesting agencies, schools and non-profit organizations that directly serve families and kids in crisis
2. Deepen your culture of discipleship and real-time ministry training through loving and serving your most vulnerable neighbors
3. Track the number of kids served and total economic impact of what each team has given and done together to help celebrate God stories and recruit more responders
4. Custom settings for each Church and its teams, allowing you to mobilize and serve through your church's current ministries
5. Localized training and support from established, local network leaders

BENEFITS OF REQUESTING PARTNERS

1. Safe and secure process to encourage direct contact between trained responding churches and families in need, combatting isolation and agency dependence, and removing delivery burden from caseworkers.
2. Clear and organized process for requesters to follow-up and communicate with approved responders.
3. Support and training from local and national experts to help increase response rates and maintain balance between request volume and response capacity in each local network.
4. Each open request given custom link to encourage public sharing and advocacy without revealing confidential or identifiable information
5. Tracking and reporting to ensure accountability and provide real-time impact data, including research-based economic impact of every request.
